Testing: Jasmine, Jest, Mocha, Chai

SUMMARY

Dedicated problem solver with a strong foundation, eager and excited to tackle new challenges, and play a key role in creating user-friendly, responsive, and visually appealing web applications.

EXPERIENCE

Frontend Developer
Scrimba   September 2022 - September 2023, Remote
· Integration of responsive design utilizing media queries, SASS, CSS, and other design principles.
· Gained experience with HTML, CSS, JavaScript, React, and consuming APIs, while creating over 50 apps.
· Implemented UI Design and deployed dozens of mobile-friendly websites.
· Established clean code principles, developed workflow standards, and peer reviews to increase code confidence.
· Refactored code to increase page-speed optimization, and lowered async requests by 80%.

Junior Full Stack Java Developer
Generation USA   February 2023 - June 2023, Remote
· Participated in an 18-week, 600+ hour Junior Full Stack Java Developer program that emphasized firsthand practical application.
· Learned and deployed the technologies involved in creating full-stack web applications with Java using Spring Boot Framework, HTML5, and CSS3.
· Implemented basic unit tests and deploying the applications to the internet.
· Collaborated with a small team of 4 to create the SneakerHeadz full-stack application.

Frontline
Asurion   September 2020 - September 2022, Remote
· Promoted customer self-help tool (phoneclaim.com).
· Aided in finding bugs during two phone integration tests (I Care and Twilio).
· Collaborated with OCEO, DRW, CST and ASG, and other departments to coordinate improve customers' UI/UX.
· Added unit testing suit in React with Jest to increase test coverage from 0 to 65%.
· Increased customer conversion rate by 28%, and decreased hours needed to complete customer claims by 22%.

CERTIFICATIONS

Junior Full Stack Java
Generation · 2023
· Trained in both front and backend as well as industry skills and job training such as scrum based projects

Certified JavaScript Developer
W3 Schools · 2023
· Proves proficiency with fundamental knowledge of web development using JavaScript and the HTML DOM

JavaScript Deep Dive
Scrimba · 2023
· Delved into the benefits of using ES6+ syntax

EDUCATION

Bachelors of Science
Minor in Accounting · Valencia College · Orlando, FL · 3.94
· Presidents List
